## Five Bollegraaf HBC 120S balers sold by VAN DYK Recycling Solutions

**VAN DYK Recycling Solutions of Stamford, CT has recently sold five Bollegraaf HBC 120S balers to four different companies.**

ReCommunity purchased two HBC 120s, one each for two of their locations. One baler is already operating in ReCommunity's Wilmington, DE plant. The other will be installed in their new plant in San Antonio. Additionally, North Star Pulp & Paper bought an HBC 120S for their Springfield, MA plant. Waste Management Monroe County of Rochester, NY purchased an HBC 120S to replace their HBC 110 baler, which has baled all their paper grades since 1990. On the west coast, Angelus Western of Los Angeles, CA bought an HBC 120S to replace a Bollegraaf HBC 100 baler.
